

You're black.  
I mean, we can all see that, but what's that about? Why are you here?

ALEX

It's okay.

JOE

How?

ALEX

I don't see how that's possible.

BENJAMIN

How is it okay?

ALEX

How is it possibly okay?

BENJAMIN

Answer us that Mister...Mister...what did they used to call you guys, you people, Mister Black Man.

ALEX

I'm a hero.

JOE

...You're a what?

ALEX

I'm one of the heroes.

JOE

Pause...Benjamin and Alex silently check with each other. They look back at Joe. It dawns on Benjamin.

...Oh. Right. You're a hero. Right. Of course. I've heard about you. You're the black one. Right?

BENJAMIN

...Obviously.

JOE

I thought you were dead by now.

BENJAMIN

No.

JOE

Not yet.

ALEX

No. Not yet.

JOE

A hero. A real live hero
